Why Choose Our Doctors of Physical Therapy?

- Advanced clinical knowledge
- Thorough evaluations
- Evidenced-based practices
- Successful outcomes and satisfied patients since 2002!
- 98% of our patients rate their overall experience as exceptional or above average
- 99% of our patients would refer their family or friends
- 99% of our patients receive treatment from the same physical therapist every treatment
- 97% of our patients wait less than five minutes for each scheduled treatment

Based on actual patient satisfaction surveys.
